

Revision

The following language in the “Fee Proposal” section of the RFP is edited to state:

Submit a fee proposal, including a statement of cost breakdown associated with each of the tasks as outlined in the scope of services. The fee proposal shall include all fees required to mobilize, perform testing, and compile and submit seven (7) copies of the draft and final reports.

~~The Fee Proposal shall be by Project component item on the form included with this RFP. Each Consultant is responsible for submitting a completed and signed Fee Proposal Form~~ **cost estimate** identifying the price for each component item as contained within this RFP. The ~~Price~~ **Fee Proposal** shall be the proposed price by item, without stipulations or qualifications in any manner. Failure to submit a complete ~~and signed form~~ **estimate** shall result in the Proposal being rejected as nonresponsive.
