BOARD COMMUNICATION

Date: August 28, 2007

TO: Chairman and Members of the Redevelopment Agency

SUBJECT: BUCHONGO SETTLEMENT AGREEMENT ANNUAL REPORT FOR
CALENDAR YEAR 2006

BACKGROUND AND DISCUSSION

In 1999, the Vallejo Redevelopment Agency entered into an affordable housing agreement with Legal Services of Northern California known as the "Buchongo Settlement Agreement." In this Agreement, the Agency agreed to provide 425 units of affordable housing to very low- to moderate-income Vallejo residents within eight years, (or by August 2007).

Low- and moderate-income, in this case, is defined as up to 120 percent of the median family income for the area. However, of the 425 units to be produced, 300 of them must be for very low-income persons (0 to 50 percent of the area median income). One hundred twenty-five (125) of these 300 units must be multi-family units, of two bedrooms or more.

Since 1999, the Agency has made significant progress toward its goal of creating 425 affordable units, and has substantially met its obligations under the Buchongo Agreement. However, the Agency must still produce eight more units of two bedrooms or more, affordable to very low-income families. In April 2007, the Agency reached agreement on a two-year extension of time to satisfy the Buchongo requirements, as allowed in the Agreement, or until August 12, 2009, (refer to Attachment "A").

The production of (and credit for) housing units under this Agreement may be accomplished by either new housing construction, or the substantial rehabilitation of housing. Substantial rehabilitation is defined in the Agreement as an amount of rehabilitation of at least \$40,000, (increased for inflation during the term of the Agreement), or 25 percent of the after-rehabilitation value of the unit.

In addition, covenants of affordability of at least 45 years for owner-occupied properties, and at least 55 years for rental properties, must be signed and recorded for properties under this Agreement, pursuant to State law.

Accomplishments and Reporting Requirements

As noted above, the Agency and the City of Vallejo have taken several actions toward reaching the goals of the Buchongo Agreement. To accomplish these goals, the City and Redevelopment Agency entered into Participation Agreements with affordable housing

developers to produce affordable units. The Redevelopment Agency has received "credit" for these units toward meeting the terms of the Buchongo Agreement.

These "credits" have been earned through the new construction and substantial rehabilitation of multi-family, senior, and for-ownership housing. Over \$12 million may ultimately be received by developers from the Redevelopment Agency or the City of Vallejo to assist in the completion of these "Buchongo-eligible" projects.

The Buchongo Settlement Agreement Annual Report for Calendar Year 2006 is enclosed as Attachment "B". This report provides the information pursuant to the terms of the Agreement, and also in the format required. This report was reviewed by the Housing and Redevelopment Commission at a regular meeting on August 8, 2007.

Completed Housing Developments

As of December 31, 2006, three developers have completed construction projects: (1) Citizens Housing, for Sereno Village Apartments; (2) BRIDGE Housing, for Marina Tower Annex, and Marina Tower; and (3) Simpson Housing, for Bay View Vista Senior Apartments. These developers obtained low-income housing tax credits.

The construction of Sereno Village (125 rental units for families) by Citizens Housing, and Bay View Vista (192 rental units for seniors) by Simpson Housing, has been completed. BRIDGE Housing has also completed the substantial rehabilitation of Marina Tower Annex, (57 rental units for very low-income seniors), and Marina Tower, (155 rental units for very low-income seniors).

In addition, Affirmed Housing Group was the developer of Avian Glen Apartments, (87 rental units for very low-income families). This development was completed in 2007. Of the 87 units planned at Avian Glen, 74 of them are two bedrooms or more. Affirmed Housing also obtained low-income housing tax credits for this development.

Graham Gardens

Vallejo Neighborhood Housing Services, Inc. (VNHS) will construct 22 for-ownership duet homes, known as Graham Gardens, at the corner of Mini and Stanford Drives, beginning in 2007. The City has allocated HOME funds toward Graham Gardens. Eleven of these homes will be affordable according to HOME Program income guidelines. They will be sold to households earning at or below 80 percent of the area median income.

In addition, the HOME funds provided toward the construction of Graham Gardens will remain in the development as a deferred loan. This will enable eight of the 22 homes at Graham Gardens to be purchased by very low-income families, (at 50 percent or below the area median income). These units will consist of four bedrooms. On August 14, 2007 the Housing Authority approved an additional one year loan of \$700,000 to in order to facilitate commencement of construction. Graham Gardens is scheduled to be completed in 2008.

Conclusion

Based on the housing units produced to date, and those planned, the Agency expects to comply with the Settlement Agreement by or before August, 2009.

Re: Extension of Time for Satisfaction of Settlement in *Muntu Buchongo et al. v. City of Vallejo, et al.*, Solano County Superior Court Case No. L00693

Dear Mr. Stalker:

As you know, the parties in the above-referenced matter entered into a Stipulated Settlement in July, 1999, whereby the City of Vallejo and the Vallejo Redevelopment Agency agreed to produce 425 affordable housing units within eight (8) years from the date that the Stipulated Judgment was entered, which was August 12, 1999. Pursuant to Section III.J. of the Stipulated Settlement, the City and Agency may request a two-year extension of time to satisfy the production requirement.

As you and Guy Ricca from Vallejo have discussed, all but eight (8) of those units have been produced, as shown on the enclosed chart. The purpose of this letter is to request an extension of two (2) years for the City/Agency to complete production of the remaining eight (8) units, which would be August 12, 2009.

If you agree to this extension, please sign the consent and acknowledgement below, keep one (1) original copy for your files, and return one (1) signed original to me. Thank you very much for your cooperation. If you have any questions, please feel free to give me a call.

Very truly yours,

Iris P. Yang
