Purpose: <p style="text-align: center;">Define the requirements for Fire Department Personnel regarding residency.</p>				

Procedure:

- A. Employees hired after April 1, 2010 or current employees who move after April 1, 2010 shall be required to reside within sixty (60) minutes of Fire Station No. 21. The sixty (60) minutes shall be determined during non-commute hours and at posted speed limits. In the event that such a boundary divides a community, then the total community shall be construed as within the sixty (60) minutes.
