

Solano County Collaborative Regional Housing Element Meetings

The Solano County Collaborative, made up of the cities of Benicia, Dixon, Fairfield, Rio Vista, Suisun City, Vacaville, Vallejo, and the County of Solano are in the process of preparing their 2023- 2031 Housing Element update as well as individual Safety Elements. As a part of the Housing Element update, the Solano County Collaborative is preparing a regional Housing Needs Assessment and a regional Assessment of Fair Housing. The Solano County Collaborative invites you to participate in one or both of the workshops to discuss the 2023 - 2031 Housing Element Update and associated Safety Element. Please join us to learn more about the update process, identify specific needs and opportunities, and share your insights on how housing opportunities can be improved locally and on a regional level.

This meeting will be interactive and conducted online. Meeting participants can join by desktop, tablet, and phone. Please register for the meeting at the Eventbrite link to the right to receive further information about how to join! We look forward to “seeing” you there!
