

## CITY OF VALLEJO NOTICE OF PUBLIC MEETING

Notice is hereby given that the City of Vallejo Planning Commission will hold a meeting on the project listed below:

APPLICATION NUMBER: Long-Range Planning #11-0001

LOCATION: City-wide

PROJECT DESCRIPTION: City of Vallejo Climate Action Plan

The City of Vallejo, with the assistance of PMC Consultants is developing a city-wide Climate Action Plan (CAP) to ultimately comply with Assembly Bill 32 and Senate Bill 375. The CAP identifies, evaluates and prioritizes opportunities to reduce energy consumption and greenhouse gas emissions in the City's government operations and throughout the Vallejo community. The plan builds upon information gathered by a greenhouse gas inventory recently completed by PMC, and generally focuses on those activities that can achieve the relatively greatest emission reductions in the most cost effective manner. Two public workshops have been held to solicit community feedback on the project and the proposed reduction measures will be presented to the Planning Commission for input, prior to completing the Draft CAP for City Council consideration and adoption.

PROJECT APPLICANT: City of Vallejo
